On November 8, 2021, Mr. Compere was unsuccessfully discharged from the outpatient drug and alcohol treatment program at Integrity House.

On November 15, 2021, Mr. Compere reported to the Probation Office as directed. He was drug tested and was positive for Marijuana.

U.S. Probation Officer Action:

The U.S. Probation Office verbally reprimanded Mr. Compere for using Marijuana and being discharged from the outpatient drug and alcohol treatment program at Integrity House. When questioned, he admitted to using marijuana and not attending his scheduled appointments with his counselor. On October 4, 2021, a Report on Individual Under Supervision was submitted to Your Honor to advise you of his marijuana use. Our office did not recommend any court action be taken and Your Honor concurred with our recommendation. It should be noted that Mr. Compere did complete a short-term inpatient drug and alcohol program at Integrity House. Furthermore, on December 15, 2021, a home visit was conducted at his place of residence. He was drug tested and was negative for illegal drug and alcohol use. He has been referred for substance abuse and mental health treatment at Oaks Integrated Care. This will allow him to address issues surrounding his anger management and substance abuse. We are not recommending any court action to be taken at this time. We will continue to monitor his compliance and notify your Honor of any additional noncompliance.

Respectfully submitted,
